Are you up for a challenge?

Complete the below exercises on a separate piece of paper.

Research one landmark / attraction and write down the following information:

- The address of the landmark / attraction
- Is there an entry fee and if so how much would it cost for your family to visit?
- Using Booking.com find a nearby hotel to stay at for three nights. How much will it cost for your family to stay there?
- Using Google maps, make notes how to get the landmark / attraction using public transport from the hotel you found on Booking.com.
- Make a travel brochure about the landmark / attraction of your choice.

Research one famous person and write down five interesting things about them.

Find a recipe for one of the traditional foods and cook it with your parents.

Use Google Earth to explore the country you choose.

Make a poster about the country you choose listing all the interesting facts you learned
